

Nisha Mehta

NM

Frontend Developer

Pune, India nisha.mehta@example.com Fictional sample

01 Professional profile

Frontend Developer with an illustrative 11-year career focused on accessible interfaces, interaction quality and design systems. Core strengths include React, TypeScript and CSS architecture. Selected examples describe the challenge, contribution and handover materials.

EXPERTISE

Core capabilities

React

TypeScript

CSS architecture

Semantic HTML

Accessibility testing

Component systems

SELECTED WORK

Accessible account portal

Interaction specification and accessibility findings

Component language

Component catalogue and migration notes

LANGUAGES

English - professional working

Hindi - professional working

CAREER CONTEXT

11 years in this illustrative career.

Three appointments.

Full work examples on page 2.

02 Professional experience

Jul 2022 - Present

Frontend Developer

Asterline Digital Systems · Pune

Delivered defined workstreams in accessible interfaces, interaction quality and design systems, coordinating reviewers and delivery partners.

- Rebuilt focus handling, field errors and responsive states; reviewed the journey with design and QA.
- Authored reusable form primitives, documented their states and supported migration of two pilot screens.

Jul 2018 - Jun 2022

Frontend Developer

Northmere Digital Systems · Pune

Supported progressively more complex work in accessible interfaces, interaction quality and design systems, with a defined review process.

- Used React and semantic html on assigned work; recorded decisions so colleagues could understand the approach.
- Prepared handover materials and incorporated specialist feedback before closing the workstream.

Jul 2015 - Jun 2018

Graduate Software Engineer

Cedarfield Digital Systems · Pune

Built foundations through supported assignments, observation and practical feedback.

- Assisted with TypeScript and accessibility testing, checking work with an experienced reviewer.
- Kept organised work records and developed clear handover habits through supervised practice.

03 Engineering case studies

Interfaces that feel effortless.

WORK EXAMPLE 01 / ILLUSTRATIVE

Accessible account portal

Context

Keyboard users could not complete the account-change flow.

Contribution

Rebuilt focus handling, field errors and responsive states; reviewed the journey with design and QA.

Prepared for handover

Interaction specification and accessibility findings

WORK EXAMPLE 02 / ILLUSTRATIVE

Component language

Context

Teams implemented inconsistent form patterns.

Contribution

Authored reusable form primitives, documented their states and supported migration of two pilot screens.

Prepared for handover

Component catalogue and migration notes

04 Education

2013 – 2015

Postgraduate Diploma in Human-Computer Interaction

Asterbridge Institute of Professional Studies

Specialist study with a practice focus on React and TypeScript.

2009 – 2013

Bachelor of Technology / Science in the relevant discipline

Cedarhaven College of Applied Studies

Foundation study, practical assignments and supervised learning. Fictional institution and qualification record.

05 Professional development

2024

React - advanced practice workshop

Scenario exercises and peer review in accessible interfaces, interaction quality and design systems.

2025

Semantic HTML - reflective practice seminar

Applied learning reviewed through a bounded example and a written reflection.

Continuing learning examples, not licences or independently verified certifications.

06 Practice & evidence notes

Work focus	Evidence status	Contribution scope
Accessible interfaces, interaction quality and design systems	Illustrative work descriptions; no source artefacts attached	Owned the stated workstream, not all team outcomes

Every employer and institution in this CV is fictional. The two work examples describe individual contributions; supporting artefacts and externally measured outcomes are not supplied. Replace example information with accurate records and permission-cleared work before using this CV.
