01 Professional profile

Architect with an illustrative 11-year career focused on climate-responsive planning and coordinated architectural documentation. Core strengths include Space planning, Revit and Design development. Selected examples describe the challenge, contribution and handover materials.

02 Professional experience

Jul 2022 - Present

Architect

Asterline Spatial Practice · Kochi

Delivered defined workstreams in climate-responsive planning and coordinated architectural documentation, coordinating reviewers and delivery partners.

- Developed massing and courtyard options, coordinated consultant inputs and documented design-stage trade-offs.
- Tested unit layouts and shared-space options against the project brief and recorded unresolved approvals.

Jul 2018 - Jun 2022

Architect

Northmere Spatial Practice · Kochi

Built a scoped practice in climate-responsive planning and coordinated architectural documentation, with a defined review process.

- Used space planning and passive design on assigned work; recorded decisions so colleagues could understand the approach.
- Prepared handover materials and incorporated specialist feedback before closing the workstream.

Jul 2015 - Jun 2018

Graduate Design Associate

Cedarfield Spatial Practice · Kochi

Built foundations through supported assignments, observation and practical feedback.

- Assisted with Revit and drawing coordination, checking work with an experienced reviewer.
- Kept organised work records and developed clear handover habits through supervised practice.
