

Kabir Rao

UI Designer

KR

Indore, India kabir.rao@example.com Fictional sample

01 Professional profile

UI Designer with an illustrative 11-year career focused on interface composition and scalable visual systems. Core strengths include Figma, Visual hierarchy and Component design. Selected examples describe the challenge, contribution and handover materials.

02 Professional experience

Jul 2022 - Present

UI Designer

Asterline Design Studio · Indore

Delivered defined workstreams in interface composition and scalable visual systems, coordinating reviewers and delivery partners.

- Reworked information hierarchy and designed empty, loading and error states for the core workflow.
- Defined typography, spacing and interaction tokens and tested the kit on representative screens.

Jul 2018 - Jun 2022

UI Designer

Northmere Design Studio · Indore

Built a scoped practice in interface composition and scalable visual systems, with a defined review process.

- Used Figma and interaction states on assigned work; recorded decisions so colleagues could understand the approach.
- Prepared handover materials and incorporated specialist feedback before closing the workflow.

Jul 2015 - Jun 2018

Junior Designer

Cedarfield Design Studio · Indore

Built foundations through supported assignments, observation and practical feedback.

- Assisted with visual hierarchy and responsive layout, checking work with an experienced reviewer.
- Kept organised work records and developed clear handover habits through supervised practice.

CAREER CONTEXT

11 years in this illustrative career.

Three appointments.

Full work examples on page 2.

03 Selected design work

Clarity, down to the smallest state.

WORK EXAMPLE 01 / ILLUSTRATIVE

Finance workspace UI

Context

Dense screens hid the next useful action.

Contribution

Reworked information hierarchy and designed empty, loading and error states for the core workflow.

Prepared for handover

Screen library and component specifications

WORK EXAMPLE 02 / ILLUSTRATIVE

Product component kit

Context

Teams recreated basic controls across features.

Contribution

Defined typography, spacing and interaction tokens and tested the kit on representative screens.

Prepared for handover

UI kit and usage guidance

04 Education

2013 – 2015

Master's in Interaction Design

Asterbridge Institute of Professional Studies

Specialist study with a practice focus on Figma and visual hierarchy.

2009 – 2013

Bachelor of Design

Cedarhaven College of Applied Studies

Foundation study, practical assignments and supervised learning. Fictional institution and qualification record.

05 Professional development

2024

Figma - advanced practice workshop

Scenario exercises and peer review in interface composition and scalable visual systems.

2025

Interaction states - reflective practice seminar

Applied learning reviewed through a bounded example and a written reflection.

Continuing learning examples, not licences or independently verified certifications.

06 Practice & evidence notes

Work focus	Evidence status	Contribution scope
Interface composition and scalable visual systems	Illustrative work descriptions; no source artefacts attached	Owned the stated workstream, not all team outcomes

Every employer and institution in this CV is fictional. The two work examples describe individual contributions; supporting artefacts and externally measured outcomes are not supplied. Replace example information with accurate records and permission-cleared work before using this CV.
