01 Professional profile

Product Manager with an illustrative 11-year career focused on product discovery, prioritisation and cross-functional decisions. Core strengths include Discovery interviews, Product strategy and Prioritisation. Selected examples describe the challenge, contribution and handover materials.

02 Professional experience

Jul 2022 – Present

Product Manager

Asterline Product Systems · Lucknow

Delivered defined workstreams in product discovery, prioritisation and cross-functional decisions, coordinating reviewers and delivery partners.

- Combined interview findings with journey events, framed competing hypotheses and selected a bounded pilot.
- Introduced explicit decision criteria and negotiated a narrower sequence with engineering and commercial teams.

Jul 2018 – Jun 2022

Product Manager

Northmere Product Systems · Lucknow

Built a scoped practice in product discovery, prioritisation and cross-functional decisions, with a defined review process.

- Used discovery interviews and experiment design on assigned work; recorded decisions so colleagues could understand the approach.
- Prepared handover materials and incorporated specialist feedback before closing the workflow.

Jul 2015 – Jun 2018

Project Coordinator

Cedarfield Product Systems · Lucknow

Built foundations through supported assignments, observation and practical feedback.

- Assisted with product strategy and roadmapping, checking work with an experienced reviewer.
- Kept organised work records and developed clear handover habits through supervised practice.
