02 Professional experience

Jul 2022 - Present

Environmental Consultant

Asterline Energy & Environment · Pune

Delivered defined workstreams in baseline studies, impact screening and environmental reporting, coordinating reviewers and delivery partners.

- Coordinated field observations and mapped evidence gaps before drafting the assessment narrative.
- Reconciled records, checked sampling assumptions and proposed a traceable reporting structure.

Jul 2018 - Jun 2022

Environmental Consultant

Northmere Energy & Environment · Pune

Developed hands-on experience across baseline studies, impact screening and environmental reporting, with a defined review process.

- Used baseline surveys and stakeholder consultation on assigned work; recorded decisions so colleagues could understand the approach.
- Prepared handover materials and incorporated specialist feedback before closing the workstream.

Jul 2015 - Jun 2018

Field Engineering Associate

Cedarfield Energy & Environment · Pune

Built foundations through supported assignments, observation and practical feedback.

- Assisted with impact assessment and environmental monitoring, checking work with an experienced reviewer.
- Kept organised work records and developed clear handover habits through supervised practice.
