02 Professional experience

Jul 2021 - Present

Professor

Asterline Research Institute · Ahmedabad

Delivered defined workstreams in applied mathematics research and postgraduate supervision, coordinating reviewers and delivery partners.

- Led problem formulation and reviewed sensitivity analyses with named contribution boundaries.
- Designed a seminar sequence around question framing, evidence and constructive peer response.

Jul 2015 - Jun 2021

Professor

Northmere Research Institute · Ahmedabad

Supported progressively more complex work in applied mathematics research and postgraduate supervision, with a defined review process.

- Used mathematical modelling and academic writing on assigned work; recorded decisions so colleagues could understand the approach.
- Prepared handover materials and incorporated specialist feedback before closing the workstream.

Jul 2008 - Jun 2015

Research & Teaching Associate

Cedarfield Research Institute · Ahmedabad

Built foundations through supported assignments, observation and practical feedback.

- Assisted with research design and peer review, checking work with an experienced reviewer.
- Kept organised work records and developed clear handover habits through supervised practice.

03 Teaching & research contributions

Research with depth. Teaching with purpose.

WORK EXAMPLE 01 / ILLUSTRATIVE

Modelling research programme

Context

A model's assumptions were not explicit enough for comparison.

Contribution

Led problem formulation and reviewed sensitivity analyses with named contribution boundaries.

Prepared for handover

Working manuscript and reproducibility notes

WORK EXAMPLE 02 / ILLUSTRATIVE

Graduate research seminar

Context

Researchers needed a regular forum for methodological critique.

Contribution

Designed a seminar sequence around question framing, evidence and constructive peer response.

Prepared for handover

Seminar syllabus and supervision reflection

04 Education

2005 – 2008

Ph.D. in Applied Mathematics

Asterbridge Institute of Professional Studies

Specialist study with a practice focus on mathematical modelling and research design.

2001 – 2005

Bachelor-level study in the relevant discipline

Cedarhaven College of Applied Studies

Foundation study, practical assignments and supervised learning. Fictional institution and qualification record.

05 Professional development

2024

Mathematical modelling - advanced practice workshop

Scenario exercises and peer review in applied mathematics research and postgraduate supervision.

2025

Academic writing - reflective practice seminar

Applied learning reviewed through a bounded example and a written reflection.

Continuing learning examples, not licences or independently verified certifications.

06 Practice & evidence notes
