

Rohan Shah

Food Technologist

RS

Surat, India rohan.shah@example.com Fictional sample

01 Professional profile

Food Technologist with an illustrative 11-year career focused on food product development and process documentation. Core strengths include Product trials, Process mapping and Shelf-life study design. Selected examples describe the challenge, contribution and handover materials.

02 Professional experience

Jul 2022 - Present

Food Technologist

Asterline Field Systems · Surat

Delivered defined workstreams in food product development and process documentation, coordinating reviewers and delivery partners.

- Created controlled trial sheets and compared defined quality observations with the product team.
- Documented process steps, hold points and unresolved validation requirements.

Jul 2018 - Jun 2022

Food Technologist

Northmere Field Systems · Surat

Developed hands-on experience across food product development and process documentation, with a defined review process.

- Used product trials and quality documentation on assigned work; recorded decisions so colleagues could understand the approach.
- Prepared handover materials and incorporated specialist feedback before closing the workstream.

Jul 2015 - Jun 2018

Field Research Associate

Cedarfield Field Systems · Surat

Built foundations through supported assignments, observation and practical feedback.

- Assisted with process mapping and sensory evaluation, checking work with an experienced reviewer.
- Kept organised work records and developed clear handover habits through supervised practice.
