

Kunal Joshi

Supply Chain Planner

Kochi, India kunal.joshi@example.com Fictional sample

01 Professional profile

Supply Chain Planner with an illustrative 11-year career focused on demand planning, inventory scenarios and supply coordination. Core strengths include Demand planning, Inventory analysis and Scenario modelling. Selected examples describe the challenge, contribution and handover materials.

02 Professional experience

Jul 2022 – Present

Supply Chain Planner

Asterline Supply Network · Kochi

Delivered defined workstreams in demand planning, inventory scenarios and supply coordination, coordinating reviewers and delivery partners.

- Built a driver-based planning view with lead-time assumptions and reviewable exception flags.
- Defined agreed exception categories and connected them to action owners.

Jul 2018 – Jun 2022

Supply Chain Planner

Northmere Supply Network · Kochi

Built a scoped practice in demand planning, inventory scenarios and supply coordination, with a defined review process.

- Used demand planning and s&op support on assigned work; recorded decisions so colleagues could understand the approach.
- Prepared handover materials and incorporated specialist feedback before closing the workstream.

Jul 2015 – Jun 2018

Logistics Associate

Cedarfield Supply Network · Kochi

Built foundations through supported assignments, observation and practical feedback.

- Assisted with inventory analysis and excel, checking work with an experienced reviewer.
- Kept organised work records and developed clear handover habits through supervised practice.
